## Creative Commons License Deed

### Attribution-Share Alike 3.0 Unported

#### You are free:

**to Share** — to copy, distribute and transmit the work

**to Remix** — to adapt the work

•

#### Under the following conditions:

**Attribution** — You must attribute the work in the manner specified by the author or licensor (but not in any way that suggests that they endorse you or your use of the work).

What does "Attribute this work" mean?

The page you came from contained embedded licensing metadata,

including how the creator wishes to be attributed for re-use. You can use the HTML here to cite the work. Doing so will also include metadata on your page so that others can find the original work as well.

**Share Alike** — If you alter, transform, or build upon this work, you may

distribute the resulting work only under the same, similar or a compatible license.

#### With the understanding that:

**Waiver** — Any of the above conditions can be [waived](#) if you get permission from the copyright holder.

**Other Rights** — In no way are any of the following rights affected by the license:

- Your fair dealing or [fair use](#) rights;
- The author's [moral](#) rights;
- Rights other persons may have either in the work itself or in how the work is used, such as [publicity](#) or [privacy rights](#).
- **Notice** — For any reuse or distribution, you must make clear to others the license terms of this work. The best way to do this is with a link to this web page.

What does "conditions can be waived" mean?

CC licenses anticipate that a licensor may want to waive compliance with a specific condition, such as attribution.

[Learn more.](#)

What does "Fair use" mean?

All jurisdictions allow some limited uses of copyrighted material without permission. CC licenses do not affect the rights of users under those copyright limitations and exceptions, such as fair use and fair dealing where applicable.

[Learn more.](#)

What are "Moral Rights"?

In addition to the right of licensors to request removal of their name from the work when used in a derivative or collective they don't like, copyright laws in most jurisdictions around the world (with the notable exception of the US except in very limited circumstances) grant creators "moral rights" which may provide some redress if a derivative work represents a "derogatory treatment" of the licensor's work.

[Learn more.](#)

What are "Publicity Rights"?

Publicity rights allow individuals to control how their voice, image or likeness is used for commercial purposes in public. If a CC-licensed work includes the voice or image of anyone other than the licensor, a user of the work may need to get permission from those individuals before using the work for commercial purposes.

#### Disclaimer

The Commons Deed is not a license. It is simply a handy reference for understanding the Legal Code (the full license) — it is a human-readable expression of some of its key terms. Think of it as the user-friendly interface to the Legal Code beneath. This Deed itself has no legal value, and its contents do not appear in the actual license.

Creative Commons is not a law firm and does not provide legal services. Distributing of, displaying of, or linking to this Commons Deed does not create an attorney-client relationship.

This is a human-readable summary of the [Legal Code \(the full license\)](#).
